**REGISTER NOW**

#### **Why?**

- *Be(come) future-ready: be a visionary and understand your emotions and actions and their impact*
- *Behave and act responsibly as an individual and as a member of an organization*

#### **Who?**

- *Looking for success that encompasses all aspects of your life?*
- *Aspiring to be consistent in both focus and effort towards your goals?*
- *Striving for enhanced performance and engagement of your teams?*

#### **Take-aways**

- ✓ *Clarity and intent towards **your direction and goals***
- ✓ *Tools and frameworks to **design your personal and organizational purpose***
- ✓ *Leadership **strategies for enhancing** the performances of yourself and your team*

### **Module 1: Holistic Success – your sustainable future**

- Define your personal success model
- Become engaged with your work and life via ‘The 5 Steps to Success’

### **Module 2: Power of Self-Awareness – know what drives you**

- Discover what drives your responses to challenges: your beliefs and behaviours
- Become a self-aware leader: understand what drives your decision-making processes

### **Module 3: Focus and Will Power – the twin engines of concentration**

- Strengthen your concentration and keep distractions at bay
- Focus on the information that determines your action

### **Module 4: Intent and Emotions – the fuel that drives you to your goals**

- Achieve peak performance through understanding your motivators and drivers
- Be driven by what you love rather than what you fear

### **Module 5: Right Integration – build holistic success**

- Establish an inspiring and productive work culture
- Enhance employee engagement

### **Included in this Course**

- *450 minutes live class/course (5 sessions à 90 minutes)*
- *Learn from each other’s experiences in a confidential setting*
- *Take-home exercises*
- *Access to our international community (free membership)*

## **Testimonials**

„The seminar was very valuable. It gave me a lot of „food for thought“. And, with the documentation, I will be able to continue working on what holistic success means to me in the long run.” **T.H., Zurich**

„I've become better acquainted with some of my behavioural patterns and will be able to deal with them better in my professional & personal life in the future.” **R.A., Waedenswil**
